# Christmas HITS

Left your Christmas gift list to guesswork? We've got all the ideas and tips you need, from stocking fillers for the kids to sophisticated gadgets for the grown-ups.

**ON-THE-GO SURFING** Internet addicts will love the ultra-portable Linser PocketSurfer2 web handheld. Weighing 174g, this super-cool device downloads full web pages or emails in a brisk 7 seconds, displaying them on a full colour widescreen display using a mouse cursor and backlit QWERTY. Plus the neat, pocket-size clamshell works almost anywhere and is useable out-of-the-box for 1200 minutes per month, without paying a penny. From Asda.com from £179.99.
